Parents' Meetings. On 12th & 13th March we will be holding parents consultation meetings. There are appointment sheets in the reception hall for you to sign against a suitable date and time.

Red Nose Day. Friday 15th March. Please wear something, or everything red! Red spots, red stripes, red ribbons..... For a **donation of £1** for comic relief. We have some fun events happening through the day!

Parentpay. Please could you take time to check you parentpay balance to make sure all trip contributions and lunch charges are paid up to date. Thanks!

Outdoor Learning. A reminder that on your child's outdoor afternoon, they need their wellies and a warm, waterproof coat. 11 children from Aquila Class were without these on Thursday last week.

New Seats. Staff, children and parents would like to extend a big THANK YOU! To Mr Yateman and his team who constructed our new seating at the front of school over the half term break. It's such a great addition to the site.
