School Uniform. Please can we remind you that jeans of any colour are not to be worn in school as uniform, black or grey trousers, shorts or skirts please. Likewise children are not to wear trainers, robust black school shoes are perfect for the school day and playtimes outside. A full list of school uniform items is in the prospectus, a copy of which is on the school website..... Thanks for working with us to ensure the children are smart, safe and ready to start each working day.

World Downs Syndrome Day. In support of awareness of Down Syndrome, we encourage children to wear odd socks on Thursday to celebrate diversity, to more colourful the better!. It's not a fund raiser so no donation is expected.

Red Nose Day. The children looked great today dress in red! Thanks to everyone who made their donation to a great charity...

Outdoor Learning. A reminder that on your child's outdoor afternoon, they need their wellies and a warm, waterproof coat.
