

## Otter Class Remote Learning Activities

Create a poster explaining the importance of a healthy lifestyle.

Classroom secrets+

Drop a piece of paper to the ground. What do you notice?

How can you make it fall faster?

Classroom secrets+

Write a letter to someone you admire.

What could you ask them?

Classroom secrets+

123

Estimate the area and perimeter of different rooms in your home.

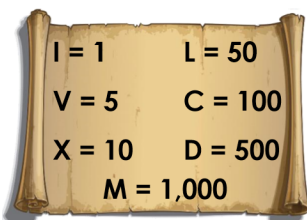

How can you find out if you are correct?

Classroom secrets+

123

Write the birthday of each of your family members in Roman Numerals.

Classroom secrets+

Watch your favourite film and write a review for a film streaming service.

Classroom secrets+

Write a review of a book you have recently read.

Classroom secrets+

Design yourself as a superhero and create a comic strip of your adventures.

Classroom secrets+

Other activities you could do:

- Produce a piece of artwork inspired by a famous artist.
- Watch science clips on 'bbcbitessize' and create a MindMap
- Draw a view through a window
- Design and make a bird feeder
- Write a persuasive letter about something you feel strongly about
- Design and make a board game
- Make a PowerPoint (or other presentation) about one of your interests
- Follow a recipe and do some baking/cooking
- Make up a dance
- Write a report about an animal
- Make a model of a famous landmark

Don't forget to exercise: Why not check out Joe Wicks' YouTube channel for short workouts you could all do as a family!
