Dear Kingfisher Class,

What a strange end to our term! It's important that even though we aren't all together at the moment you remember what a brilliant class you are and how much I enjoy being your teacher! I'm really proud of all of your hard work, especially when there have been so many distractions recently. It's really important that you keep on learning, even though school is now closed. I expect for you all to listen to your parents when they help you with your activities and display the same skills for learning that you all regularly show me at school.

Daily Timetable

This is a suggested timetable of how you could structure your day.

9:00-10:00- Maths

10:00-10:15- Fitness Break

10:15-11:15- Writing

11:15-11:45- Break

11:45-12:15- Reading activities

12:15-13:15- Lunch

13:15- 15:00 Home learning grid (on class page of website in the 'remote learning' section)

Top tips for learning

- Organise a working space.
- Get dressed for learning.
- Agree on a timetable and stick to it.
- Get plenty of fresh air breaks.
- Have water and snacks available.
- Limit screen time.
- Agree on possible rewards.
- Keep posting you work on Seesaw.

Seesaw

From Monday, I will be posting work on Seesaw daily. For parents who aren't familiar with the concept, Seesaw is an interactive app which allows children to log in to access activities and upload pictures remotely. Please download the app onto a tablet or smartphone at home. Below is a screenshot of what the app looks like.

Install

Work will be posted in the Activities Section of the app. The instructions and QR scanning code for the app are below. Once you have completed the work, please upload a picture of it and then store it in your individual folders. I will then be able to approve it and comment on it. If you have any questions or are having any problems getting on to the app, please ask your parents to email me.

Get Students Signed In

When you're ready to use Seesaw with students, they should follow these instructions to sign in.

1. Open the Seesaw Class app on iOS or Android. Or go to app.seesaw.me on any computer in Chrome or Firefox browser.
2. Choose I'm a Student
3. Scan this code using Seesaw's QR code reader or type in the text code.

For security, there is a new text code every hour. QR codes do not expire. Never share codes on social media.

Add Students Print

I hope you find this information useful and, as mentioned earlier, please do not hesitate to contact me via email if you need to get in touch.

Take care of yourselves and see you all back at school soon.
