

Kingfisher Summer topic grid for our new topic- 'Energy.'

<p style="text-align: center;"><u>French</u></p> <p>Pick 20 items in your bedroom and find out the French words for these. You can use google translate to help you with this. Eg. Chair in French is chaise. Then draw a picture of your bedroom labelling all of the items you have translated into French!</p> <p>For an extra challenge have a look at this famous French song. Can you learn the song? What do you think it's about? https://www.youtube.com/watch?v=BC6rvbxdywq</p>	<p style="text-align: center;"><u>E- Safety</u></p> <p>We are learning about how to research safely online this term. Can you remember the ways we can stay safe online? Do you think it's important to type in sensible words when using the internet to research things? Can you remember any good websites which you use for research?</p> <p>Make a list and create a powerpoint presentation all about being able to use the internet safely to research things.</p>	<p style="text-align: center;"><u>Reading</u></p> <p>You should be reading at least 10 minutes every day!</p> <p>As well as this, write a book review of the latest book you read. What was it about? Why did you enjoy it so much? Would you recommend it to a friend? For an extra challenge design a new front cover for it including the main character!</p> <p>Don't forget to check the class page for new reading comprehensions!</p>	<p style="text-align: center;"><u>Computing</u></p> <p>Use a multimedia application (eg Microsoft word) of your choice to design a thank you card for someone special. It can be for someone at home or it can be someone you have never met.</p>																				
<p style="text-align: center;"><u>Music</u></p> <p>We are learning about disco music this term in Music. Find a piece of disco music that you like (check with your adults first) and make a fun music video for it! You can set your music video in the house or in the garden! Remember our topic this term is energy so make sure your video is fun and packed full of action!</p>	<p style="text-align: center;"><u>RE</u></p> <p>Research and then create a mind map about Pentecost. Think about the following things:</p> <ul style="list-style-type: none"> • What is the story of Pentecost? • What does the celebration mean? • What gift did God give? • What symbols are used to remember Pentecost? <p>For a challenge can you also create your own Pentecost artwork?</p>	<p style="text-align: center;"><u>Art</u></p> <p>Use old magazines, newspapers and any other spare resources to create a collage. Remember our topic is energy so try and think of things which link to this. Use this link to see how to make a collage. https://www.bbc.co.uk/teach/class-clips-video/art-and-design-ks1-ks2-creating-a-collage-landscape/zfrfbdm</p>	<p style="text-align: center;"><u>DT</u></p> <p>Use junk modelling to design your own robot! Think about the purpose of your robot. What could it do? What could you use to make it? Remember the three stages: Design Make Evaluate</p>																				
<p style="text-align: center;"><u>Science</u></p> <p>We are learning about forces and magnets this term. Find 20 different household items and separate them into items which you think are magnetic and those that aren't. Draw a table and explain why you separated them like this. Is there a pattern you notice? For an extra challenge if you have a magnet test the items and see which ones are magnetic!</p>	<p style="text-align: center;"><u>Geography</u></p> <p>This term in Geography we are learning about counties in the UK. Research which county you live in and produce an informative poster all about it! How many fun facts can you include? For an extra challenge can you locate your county on a map?</p>	<p style="text-align: center;"><u>PSHE</u></p> <p>We are learning about different ways to resolve conflicts. Think about a time you have had to resolve a problem with a friend. How did you sort the problem out? Create a piece of artwork with pictures and words showing how you should resolve conflicts.</p>	<p style="text-align: center;"><u>PE</u></p> <table border="1" style="width: 100%; text-align: center;"> <tbody> <tr> <td style="background-color: #00b050; color: white; padding: 2px;">Complete a Joe Wicks Sun PE Class.
