Tuesday 8th	Piano lessons start with Ms Innes	
Wednesday 9th		
Thursday 10th		
Friday 11th		

Welcome Back!

It has been brilliant to have all the children back in school this week and they have been fantastic at adapting to being back in school. It is very early days, so if at any point you find your children are struggling, please do get in contact with the class teacher.

Can we ask that each child brings one bag. This can be a back pack that contains their lunchbox, school books, and preferably has space for their coat. All their belongings need to fit under their table for now, with lots of loose things there's lots of stuff on the floor causing trips and falls.

Bike/ Scooter safety

We love it that children are biking and scooting to school. Please could you remind your children not to cycle or scoot down the path to the port as it is very dangerous.

Punctuality / car park

For everyone's safety it is helpful if parents and carers are punctual with start and drop off times. Please could parents wait on the path or grass banks at the front of school and not on the drive or car park as vehicles are coming and going.

Grandparents' afternoon

Unfortunately, we are not able to host our Grandparents afternoon due to the current situation

Homework

It is taking longer than anticipated to set up 'Seesaw' for homework. We should be able to start posting homework from Monday 14th. This year there will be spelling, maths, reading and the homework choices grid. In the meantime please encourage your children to read as much as possible.

Coming up....

5th October Diversity Week—celebrating peoples' differences
