Thursday 8th		
Friday 9th	Guitar lessons with Mr Tuttle	

Diversity Week. This week the children will be learning all about diversity and celebrating the many ways we are different. In an age appropriate way, pupils will be exploring how we are different, challenging stereotypes, empathy, tolerance and much more. Please look on our facebook page to see what the children have been doing.

MyOn Reading Resource. The school has invested in **MyON** which is a library of around 6000 digital books for children to read. The pupil's username and password are the same as accelerated reader at school (they will know this). Classes 2, 3 & 4 are just installing the software. Children can begin to browse and read at anytime from any device that has access to the internet. Each book can also be played as an audio book. We will be teaching the children in more detail how to use the library, but if they would like to have a look instructions are available on the class pages of the website in the home learning tab. A paper copy of these instructions will be coming home to help you login.

Keeping Warm. We work throughout the day with all the doors and windows open and it gets a bit fresh sometimes! Extra layers of clothes mean everyone stays comfortable arm warm.

Fruit. We now are having regular fruit and milk deliveries from our suppliers for Early Years and KS1 children. They can also bring in a healthy snack of their own.

Data Checking sheets. Please can we remind you that we need all changes and updated information on the data checking sheets back next week so that we keep up to date contact numbers, emails and medical records for all of our children. Thank you
