MyOn Reading Resource. The school has invested in **MyON** which is a library of around 6000 digital books for children to read. The pupil's know their user names & passwords and have learned to use the software and a paper copy of the instructions has been sent home with every child to help you login. This online library in no way replaces our paper reading books, but is designed to be a useful tool during these times of non-sharing books and resources.
