Friday 23	Inset Day	Inset Day

Lunches. Our current arrangement for lunches in these compromised times is working well. We have decided to offer the option of bringing in a flask of soup to accompany the baguette, or a warm drink to have with their packed lunch as temperatures are on the decline. If they do bring soup or pasta, please make sure they bring cutlery.

Staying Safe Online. With online resources and learning platforms becoming increasingly something we use at school and now at home, please have a look on the school website where you will find advice on parental settings and firewalls which can be installed on devices that children may be using at home. You might also like to look at the NSPCC staying safe online website.

MyOn Reading Resource. The school has invested in **MyON** which is a library of around 6000 digital books for children to read. The pupil's know their user names & passwords and have learned to use the software and a paper copy of the instructions has been sent home with every child to help you login. This online library in no way replaces our paper reading books, but is designed to be a useful tool during these times of non-sharing books and resources.

Keeping Warm. We work throughout the day with doors and windows open and it gets a bit fresh sometimes! Extra layers of clothes mean everyone stays comfortable and warm.

INSET DAY FRIDAY 23RD OCTOBER.

HALF TERM WEEK BEGINNING 26TH OCTOBER.
