

## **Suggested Timetable**

This is what I would suggest for a good, structured day and it will tie in perfectly with what would be happening in school. Obviously, make the day work for you as best as possible but ***please ensure you are completing the daily tasks and uploading your work to SEESAW*** (put it in the REMOTE LEARNING folder and also the correct subject folder).

**8:00 – 8:45 – Get up, get ready for the day and ‘breakfast with Mr FB’.**

**8:45 – 9:15 – Morning Active Challenge/EW**

**9:15 – 10:00 – Maths – White Rose Maths**

**10:00 – 10:20 – Arithmetic – Corbett Maths Support Video (Mr FB on Zoom for support 10:00 - 10:30)**

**10:20 – 10:40 – BREAKTIME**

**10:40 – 11:10 – Class Read (*Middleworld*) with Mr FB**

**11:10 – 12:15 – English – Oak Academy**

**12:15 – 1:15 – LUNCH**

**1:15 – 2:55 – Topic Activity – History/Geography/Music/Science/RE/PSCHE**

**2:55 – 3:15 – BIG QUESTION TIME - PADLET**

**Challenge Activities** – we will be putting a variety of other challenges on SEESAW for you to complete whenever you would like. There is no expectation that all of these (or any) are completed, it is just for some fun things to keep you busy at home ***once you have completed the assigned Remote Learning Activities***. These will be the following:

- French Challenge
- Daily Reading – Books/MyON
- Art Challenge
- Cooking/Baking – Share your recipes for ‘Recipe of the Week’
- Pobble Challenge
- Feel Good Grid (available on the ‘Remote Learning’ tab on the Class Page on the website.
- STEM Challenges (available on the ‘Remote Learning’ tab on the Class Page on the website.
