## Relationships and sex education policy

### Vision Statement:

We work together to create a safe, welcoming and happy environment rooted in Christian values. We provide rich opportunities and challenges for our pupils to learn. Kindness, respect, courage, friendship and responsibility are at the heart of what we do. We support all our children in becoming confident, skilled and optimistic young people.

### **We aim to ensure that:**

- All our pupils feel safe, secure and valued.
- Each child grows in spiritual awareness, knowing that their own views are respected.
- Everyone in our school understands tolerance and respects others.
- The school community promotes positive attitudes to relationships and learning.
- The school delivers a vibrant, innovative and forward thinking Curriculum fit for our times.
- We build a community of children, staff, parents and Governors that works together for the benefit of all.

### **1. Aims**

The aims of relationships and sex education (RSE) at our school are to:

Provide a framework in which sensitive discussions can take place

Prepare pupils for puberty, and give them an understanding of sexual development and the importance of health and hygiene

Help pupils develop feelings of self-respect, confidence and empathy

Create a positive culture around issues of sexuality and relationships

Teach pupils the correct vocabulary to describe themselves and their bodies

## 2. Statutory requirements

As a maintained primary school we must provide relationships education to all pupils as per section 34 of the Children and Social work act 2017.

We are required to provide sex education and we do need to teach the elements of sex education contained in the science curriculum.

In teaching RSE, we must have regard to guidance issued by the secretary of state as outlined in section 403 of the Education Act 1996.

At Brimscombe C of E (VA) Primary School we teach RSE as set out in this policy.

## 3. Policy development

This policy has been developed in consultation with staff, **parents and governors**. The consultation and policy development process involved the following steps:

1. Review – Staff pulled together all relevant information including relevant national and local guidance
2. Staff consultation – all school staff were given the opportunity to look at the policy and make recommendations
3. **Parent/stakeholder consultation** – parents and any interested parties were invited to attend a meeting about the policy
4. **Pupil consultation** – we investigated what exactly pupils want from their RSE
5. Ratification – once amendments were made, the policy was shared with governors and ratified

## 4. Definition

RSE is about the emotional, social and cultural development of pupils, and involves learning about relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity.

RSE involves a combination of sharing information, and exploring issues and values.

RSE is not about the promotion of sexual activity.

## 5. Curriculum

Our curriculum is set out as per Appendix 1 but we may need to adapt it as and when necessary.

We have developed the curriculum in consultation with parents, pupils and staff, taking into account the age, needs and feelings of pupils. If pupils ask questions outside the scope of this policy, teachers will respond in an appropriate manner so they are fully informed and don't seek answers online.

Primary sex education will focus on:

Preparing boys and girls for the changes that adolescence brings

How a baby is conceived and born

For more information about our curriculum, see our curriculum map in Appendix 1.

## 6. Delivery of RSE

RSE is taught within the personal, social, health and economic (PSHE) education curriculum. Biological aspects of RSE are taught within the science curriculum, and other aspects are included in religious education (RE).

Pupils also receive stand-alone sex education sessions.

Relationships education focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- Families and people who care for me
- Caring friendships
- Respectful relationships
- Online relationships
- Being safe

For more information about our RSE curriculum, see Appendices 1 and 2.

These areas of learning are taught within the context of family life taking care to ensure that there is no stigmatisation of children based on their home circumstances (families can include single parent families, LGBT parents, families headed by grandparents, adoptive parents, foster parents/carers amongst other structures) along with reflecting sensitively that some children may have a different structure of support around them (for example: looked after children or young carers).

## **7. Roles and responsibilities**

### **7.1 The governing board**

The governing board will approve the RSE policy, and hold the headteacher to account for its implementation.

### **7.2 The headteacher**

The headteacher is responsible for ensuring that RSE is taught consistently across the school, and for managing requests to withdraw pupils from non-statutory/non-science components of RSE (see section 8).

### **7.3 Staff**

Staff are responsible for:

- Delivering RSE in a sensitive way
- Modelling positive attitudes to RSE
- Monitoring progress
- Responding to the needs of individual pupils

Responding appropriately to pupils whose parents wish them to be withdrawn from the non-statutory/non-science components of RSE

Staff do not have the right to opt out of teaching RSE. Staff who have concerns about teaching RSE are encouraged to discuss this with the headteacher.

### **7.4 Pupils**

Pupils are expected to engage fully in RSE and, when discussing issues related to RSE, treat others with respect and sensitivity.

## **8. Parents' right to withdraw**

Parents do not have the right to withdraw their children from relationships education.

Parents have the right to withdraw their children from the non-statutory/non-science components of sex education within RSE.

Requests for withdrawal should be put in writing using the form found in Appendix 3 of this policy and addressed to the headteacher.

Alternative work will be given to pupils who are withdrawn from sex education.

## **9. Monitoring arrangements**

The delivery of RSE is monitored by Joe Roberts (Headteacher) Mrs N brown (Senior Teacher) through: planning scrutinies, learning walks, work scrutiny, pupil conference

Pupils' development in RSE is monitored by class teachers as part of our internal assessment systems.

This policy will be reviewed by Mr J Roberts Mrs N Brown annually]. At every review, the policy will be approved by the Ethos committee.
