<b>Friday</b> <b>26</b>	Guitar lessons with Mr Tuttle Year 3 & 4 outdoor learning	

**International Colour Day!** Lessons on Friday have been great fun! Remember to take a look at the school facebook page to see pictures of what everyone has been up to..... We have raised more than £120.00 for comic relief.

**Reading Books.** In the run up to Easter we are promoting reading across the year groups. Could you please encourage your children to have a reading book with them everyday to read in school and at home. Some of our avid readers even take them to the lunch hall whilst they are eating!

**Parentpay.** There is more than £200 owing on parentpay for school meals, much of it going back to early 2020. Please please can you make time to add funds to your child's account. Parentpay is a pre-payment scheme from which school can draw fund to pay for items children have taken part in, or eaten in this case. It's not a credit system to accrue debt which then needs to be paid off. Thank you.
