**FaceBook.** We have had a great week in school with lots of learning, cycling proficiency, the newly finished climbing wall, after school clubs back in full swing. Take a look at the school facebook page for some great pictures and more details of what we have been up to in and around school.

**Veggie Plot.** Thanks to those who came along last Friday to help restart the Veggie Plot next to the Orchard in school. We are excited to be working with folks from the Long Table to plant & grow veggies which they can turn into healthy meals! There will be a second session on Thursday the 13th May. Please come along with any tools you have and join the fun!

**Pre-School.** We currently have spaces in our pre-school. If you have any family members or neighbours who might be looking for an exciting, safe & fun preschool for their child, do give them our number for more information and a prospectus!
