**Veggie Plot.** Thanks to those who came along last Thursday in the rain to help restart the Veggie plot next to the orchard in school! We are excited to be working with folks from the Long Table to plant & grow veggies which they can turn into healthy meals! We are taking delivery next week of softwood sleepers to reinforce the beds courtesy of FOBS. If there are pairs of hands to help us install them, do get in touch....

**Pre-School.** We currently have spaces in our pre-school. If you have any family members or neighbours who might be looking for an exciting, safe & fun preschool for their child, do give them our number for more information and a prospectus! We also have Jellytots happening in the hall each Friday morning for the tiny members of our school community.
