**Open Day 17th November all day.** We have our final open day for parents of children starting in September 2022. In addition, if you know anyone who is moving to the area who might like to look around then do encourage them to come along, they don't need to book...

**Parking.** A reminder that, for the safety of our children, there is no parking on site. Last week there were unsafe traffic issues at 4.15pm during the pick up from after school clubs. Parked cars and children rushing to them is a bad combination. Please park elsewhere.

**Christmas Events.** Please look out for the letter that the children are bringing home, or check the website for dates of all the Christmas performances, events and activities to the end of term!
