After School. Please can we remind you to let us know via email, or a note on a post it to the class teacher if your child is going home with someone other than you. Safeguarding dictates that we cannot let a child leave with anyone other than those detailed on our student database without a permission. You are welcome to send us extended family details to add to your child's records for emergencies and collections which means we will not need to call you and check. Thank you.
