

# Spring 1 Homework Choices

## Maths

Choose a number between 0 and 50. Count forward three times in tens.

E.g. 45, 55, 65, 75

Ask an adult to choose two random numbers between 0 and 20. Use the more than and less than symbols. E.g.  $12 < 15$

## Building

Using LEGO or any building bricks you have at home, create an instructional video explaining how to build a model of your choice.

## Science

Can you design your own creature?  
Where does your creature live? Is it hot or cold? Dry or wet? Is it a predator or prey? Does it have skin, feathers or scales? Why?

## Write all about it!

Create your own information leaflet about an animal of your choice. You could include pictures, drawings and/or pictures that you find online.

## Responsibility

I am responsible for laying the table before dinner.

## Role-play

Choose a book of your choice and role-play one of the main characters from the story. Ask an adult or a carer to record this. You could ask a family member/sibling to join in with your performance.

## Art

Can you create an African picture? You could look at sunsets and animals that live in Africa.

Focus on the techniques that you use such as sketching.

## Rosa Parks

Discuss what changes you would like to see in your community. How might you achieve them?

## The Sock Throw Roll Challenge

Build a stack of 4 toilet rolls as a target, stand at a distance from the target. Get your rolled-up socks and try knock down the target. **Challenge:** Use a stopwatch to time yourself for 30 seconds.
