**Notes: Parentpay.** Please could you take some time to check your parentpay accounts and pay off any debts. Can we also remind you that booking morning & after school care helps us with planning; one day this week we had 5 children booked in, and 12 turned up! Thank you.

**Head Lice.** We are aware of children in school who have had and been treated for headlice this week. Please could you check your child's head this weekend with a nit comb and treat accordingly. We ask again for all longer hair to be tied up tidily with an elastic and clips. This also helps children to see what they are doing!
