

## Spring term homework choices

### Science

This half term we have been learning about All Living things. Go on a nature walk or even outside in your garden and make a list of all of the animals you can find. Then create your own classification key to group them.

### Your own choice!

Do an activity linked to your own hobbies and interests. Take a picture and then upload it to Seesaw!

### RE

This term we are learning about how Christians live. Make a list of all of the important ways Christians show their beliefs. You can even draw pictures to represent this.

### Computing

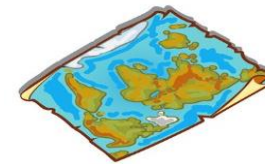

This term you have been developing your online safety knowledge. Create a poster explaining how you stay safe online.

### Maths

Use Times table Rockstars to practice your times table ! Can you beat your previous best score?

### Geography

Plan your own holiday to the European Alps. Which country will you visit and what can you do there?

### Art

### Writing

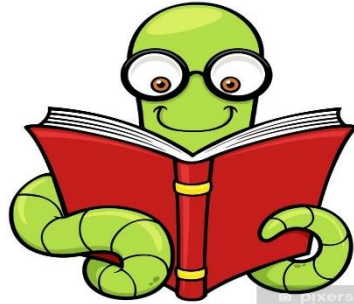

### History

Sketch a picture of your favourite landscape. Then take a picture and upload it to Seesaw!
