New Headteacher. The team here were excited to hear earlier this week that Mrs Brown will be our new headteacher when we return in September! End of an era for Mr Roberts too!

Wellbeing Week. We will be hosting a wellbeing week during 20th to 24th May when our year 6 students are on their residential week. Look out for a letter coming soon that will detail what your child's class are up to!

After School. Staff are concerned about the safety of children who play on the bank after school. Several tussles have been observed and children misbehaving generally. Please supervise the children in order to keep them safe! Thank you.

Website. Do remember to take a look at our whole school blog on the website from time to time! This will give you an insight into what is going on in school week by week and details of learning that has taken place, as well as future topics for the rest of the term. You can also find more information on each of the class pages on the website...
