16th		
17th		Athletics with Mr Griffiths

Sun hats & Sunscreen.

We are all enjoying this lovely weather now its finally stopped raining! Can we request that all children bring in a sunhat for times spent playing or learning outside. It would also be helpful for them to have sunscreen applied at home in the morning, and a small tube in their school bag to re-apply later in the day. Thank you.

Piano lessons. We currently have one space for a child to begin, or continue piano lesson with Jo Innes our teacher who comes in on Wednesdays. There will be two more spaces in September. Please email the office and we will pass you enquiry on.

Ice Lolly Wednesday. FOBS have kindly agreed to once again sell a selection of ice lollies every Wednesday after school out the front starting next week. Lollies start from 50p

Sickness. We need to remind you that we have a policy that no child should return to school until they are 48 hours clear of vomiting or diarrhoea. A bug is going around school at the moment and is not helped when children return to school still infectious.

Scarlett Fever. There are children who have been off recently with both 'slap cheek' and scarlet fever. They have similar symptoms and are very contagious. Please encourage your child to wash their hands thoroughly and, should they show symptoms, the 48 hour rule would then apply before they return to school.

UPCOMING DATES

- 13 May Y6 Leavers photo shoot
- 20—24th May Y6 residential week
