Fri 11th **End of Term**

Mrs. Brown

Headteacher

School Office

We are very pleased to have employed a new member of staff to work in our school office. Our new administrator, Mrs Rycroft, will be starting next week.

There are a lot of new systems and routines for Mrs Rycroft to learn, so please continue to be patient as she gets familiarised with everything.

We are really looking forward to her joining the team and know she will be an excellent addition.

Birth Certificates

Thank you to all parents who have brought in birth certificates. If you haven't done so, please can we ask that you bring them in before half term. Many thanks.

Help still needed!

We are looking to sort out the lower orchard as another Forest School education area for the children and we are seeking some help and advice on pond information and cleaning. If you know anyone who can help, please contact the school office.

We also have some basketball posts that need assembling. If you are able to help, please let us know! We would really appreciate it!

Parent Survey

Your views are extremely important to us and we would value your input on things we do well, but also things we could improve on. Please scan the QR code on your phone to complete a short survey! Thank you!

Brimscombe C of E Primary School
- Parent/Carer Questionnaire

General attendance

Whilst attendance at Brimscombe is generally good, it is really important that children are here as much as possible. The impact on their learning when they have days off is huge and we really want our children to do well.

As mentioned in our previous email, if your child is ill, please call or email the office before 9:15am.

If your child has an appointment, please email confirmation of the appointment to the office. This can be a screenshot or forwarded email. Ideally, your child should return to school after their appointment, if permitted.

If your child is absent due to family circumstances, please let us know.

Morning Registration

Along the same lines, if you are going to be late, please call the office and let us know. We understand these things happen but we would urge you to get children into school by 8:45am. Our registers are taken promptly at 8:55am and learning begins at 9:00am. We want children to have time settle into class before learning begins so getting here at 8:45am really helps.
