

Words you will learn:

environment

The space around living things.

human rights

The rights and freedoms that every person should have.

respect

Being thoughtful in the way you think, speak and act.

responsibilities

Responsibilities are the things people should do to help themselves or others.

The United Nations (UN) is a group of countries that work together to help people, keep peace and solve problems around the world.

We can be responsible by:

helping
others

showing
respect

being fair

looking
after the
environment

Everyone has **human rights** and **responsibilities**. Together, they help people live safely, fairly and respectfully.

Why do we have human rights?

To help people live safely and fairly.

What kind of rights?

Education, health, play and views.

Who helps protect them?

Adults, police, politicians and the UN.

Who do they belong to?

Rights belong to everyone, children and adults.

It is everyone's responsibility to look after the **environment** and reduce waste.

A **business** can use fewer materials and create less waste;

The **local council** collects waste and explains what can be recycled locally.

A **local council** is a group of people chosen to make decisions and help look after a local area.

Local council responsibilities

bin collection

public library

park playground

roadworks

Local councils have a **budget**, which is a plan for how money will be used.

They have to choose priorities for how the money will be spent in the **community**.
